Dear Life Jacket Industry Colleagues,

On behalf of the Life Jacket Association (LJA), we are sending our deepest condolences to the U.S. Coast Guard, life jacket industry colleagues, friends and Marty Jackson's family.

On Tuesday, February 7, 2023, the U.S. Coast Guard shared that our dear friend and life jacket industry colleague, Marty Jackson passed away suddenly and unexpectedly.

Marty was a huge advocate for innovation and was very passionate about saving lives on the water. Many colleagues of the life jacket industry and boating community had the pleasure of working with Marty and building a friendship with him over his many years of services with the Coast Guard.

Thank you for your services, Marty. You will be deeply missed, but your legacy lives on!

Life Jacket Association

*Visitation and Funeral Services for Marty Jackson will be held on Friday February 17 at Mountcastle Turch Funeral Home in Dale City, VA. Specific details are available at: [Martin L. Jackson Obituary - Visitation & Funeral Information \(mountcastle.net\)](https://www.mountcastle.net/obituary/martin-l-jackson) Please feel free to share this message.*
